About Support Tuition

MPW Cambridge was founded in 1987 and is part of the MPW group of independent fifth and sixth form colleges. Our college is situated in attractive Victorian premises on the south side of Cambridge city centre. We offer a broad range of GCSE and A level subjects and have a tradition of expertise in intensive, exam-orientated courses. It is this expertise which forms the basis of our Individual Support Tuition programme.

Support tuition is available subject to tutor availability. There are two options:

- 1** Online - Monday to Friday
9am to 6pm & Saturday
09:30 - 12:30
- 2** Face to face in College -
4pm to 6pm & Saturday
09:30 - 12:30 only subject
to room availability.

Tuition is also available during school holiday periods (excluding Easter Holidays) online and face to face, Monday to Friday 9am to 5pm.

Frequently Asked Questions

Why MPW?

We have a large pool of experienced, qualified tutors who know their way round both the subjects they teach and, crucially, the nuances of the specification and exam techniques needed to succeed.

Do you teach my subject?

Most likely. We have a history of providing tuition on most subjects across most exam boards.

How does it work? And what is the cost?

A support tuition session is typically one to one and lasts for one hour; sessions can be doubled up if required. The price per hour is £90. If ten or more hourly sessions or five double sessions are booked in advance, you will receive a 10% discount. The discounted rate would therefore be £81 per session and £162 per double session. Online tuition is via the Microsoft Teams virtual platform and face to face teaching will take place on the college premises.

Please note that we cannot offer accommodation for Support Tuition students.

“MPW provided invaluable support for our daughter at the time she needed it most. The tuition was personalised both in terms of content and style of learning. The tutors always followed up with helpful notes and materials. Above all, the tutors instilled in her calmness and confidence which allowed her to do her very best in her A levels. We couldn't ask for more.”
