Welcome to MPW Summer School

The MPW Summer School offers the opportunity to study an innovative, high-quality academic programme and experience the best of British culture. It's where young minds shine.

Our expertly-designed programmes allow you to explore future careers and traditional academic subjects in refreshing new ways, as well as equipping you with essential skills for life, like public speaking and conflict resolution. At the same time, you will also have a fantastic opportunity to practice and develop your English language skills.

Based in London and Cambridge, our campuses place you in the heart of each city. You will enjoy a packed schedule of social and cultural activities to make the most of your time outside of the classroom, plus lectures and career talks given by world renowned and leading university academics in their respective fields.

A summer with MPW is unique, unforgettable and transformative.

 - Cambridge: £4,200
- **Day only fees**
 - London: £2,400
 - Cambridge: £2,150

*Refer to pages 36 and 37 for more detailed information

About MPW

MPW is one of the UK's leading names in fifth- and sixth-form education, offering a distinctive alternative to traditional schools.

Founded in 1973, our colleges in London, Birmingham and Cambridge offer the same broad, highly flexible curriculum. We offer a unique teaching approach focused on exam preparation and outstanding personal support.

This approach is reflected in a highly consistent record of exam results; in 2025 the most commonly achieved A level result was A*/A. Over the past two years, well over 500 MPW students have progressed to Russell Group and University of London universities.

We teach 1,200 students on roll each year, of which approximately two-thirds are British, one third international. An additional 1,500 mostly UK-based students enrol each year on Easter Revision courses.

All three colleges have attained maximum scores in all UK government inspection reports.

To discover more about MPW, visit www.mpw.ac.uk.

A level, GCSE, University Foundation, Easter Revision

Top grades in government inspection reports

Supervised accommodation within walking distance of each college

Maximum nine students in GCSE and A level classes

70% UK and 30% international students

Personal tutor system, supervising welfare and academic progress

London

Our London campus is located in the very heart of South Kensington, one of the most exclusive and affluent parts of the capital. Sitting on the same street, both our college and impressive new boarding accommodation are just moments away from world-famous academic and cultural attractions.

These include the Natural History Museum, Imperial College, Royal College of Art, Royal College of Music, museums for every interest (including the Science Museum and V&A) and the iconic Royal Albert Hall. Hyde Park, London's largest green space, sits close by, and the area has a thriving food and café culture.

Accommodation

In London, you will stay at the newly refurbished Queen's Gate House. This outstanding facility provides stylish premium en-suite bedrooms that offer panoramic views across South Kensington. Each room has air-conditioning, enabling you to temperature control your own room. This accommodation forms part of MPW's campus and is located just a few minutes' walk from the main college building.

Cambridge

Cambridge is a city steeped in history – home to many beautiful museums, art galleries and stunning architecture as well as the renowned University of Cambridge.

Our Cambridge college is located in the heart of the city, next door to the University of Cambridge Botanic

Gardens, as well as the University's Engineering and Chemistry faculties. Students stay in purpose-built student accommodation, within walking distance of the college and the Cambridge Leisure Park.

Accommodation

Tripos Court provides comfortable, secure accommodation with premium en-suite bedrooms and beautiful gardens, perfect for socialising on sunny days. The accommodation is a 15-minute walk to the college. You will be chaperoned to and from school as part of a group each day.

Programme Overview

Our Summer School combines an exciting academic stream, innovative life skills workshops, fulfilling enrichment activities and a fun-packed schedule of social events.

Academic Programme

Our programme features eight exciting academic streams. Choose one stream to study for the two-week duration of the programme.

My Path; My Way

An innovative collection of courses, *My Path; My Way* equips you with the essential skills you need to succeed not only in your future career, but also many areas of your life.

Built around three core pillars—cognitive, interpersonal, and intrapersonal skills—our courses provide a well-rounded approach to learning. You will sharpen your critical thinking, enhance your powers of persuasion, and build emotional intelligence, at the same time as developing your resilience and self-awareness.

Through interactive lessons, practical exercises, and engaging content you'll learn to think strategically, communicate effectively, and thrive in any situation.

Enrichment

From industry field trips through to weekly lectures, our enrichment activities are designed to equip you with invaluable knowledge and skills for your continuing

education and beyond. You will hear from world-leading academics from prestigious London universities and the University of Cambridge in a weekly lecture series. In addition, you have the opportunity to learn from guest speakers who are experts in their field, and understand more about the university application process in our university preparation workshops.

Social and Leisure

Away from the classroom, a summer with MPW is both fun and enriching, with activities to suit every interest.

A mix of UK and international students (we hosted students from over 35 countries in 2025) provides the perfect environment to learn about different cultures, improve your spoken English and make friends. You can look forward to a wide range of exciting cultural and social activities. These include trips to museums, galleries, and theatres, as well as activities such as punting, Escape Rooms, theatre trips, movie nights and karaoke.

Architecture

Take your first steps into the world of architecture. Learn about design principles, practical skills, building a portfolio, and how to progress into an architectural career. With London as your base, you'll also explore the world-class architecture the city has to offer.

Available in London only (12-25 July 2026).

Example timetable

Time	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

“The staff at MPW felt like friends and made it feel like a family. I could talk to them anytime. The teachers were great, I learnt so much and discovered things I didn't know before.”

Utku - Turkey

My Path; My Way

Innovative, interactive and inspiring courses to equip you with the skills you need to succeed in life and work. Choose two courses, one per week.

Week 1 courses

Beyond the Podium

Public Speaking and Presentation Mastery

This practical course empowers you to become a confident and engaging speaker. Learn how to craft compelling presentations, engage any audience and communicate your ideas with clarity and impact. Through interactive exercises and real-time feedback, you'll build the skills to overcome stage fright and present with poise, delivering your message with clarity and impact.

Building Bridges

Negotiation and Conflict Resolution for Young Leaders

Conflict is an inevitable part of life, but how we respond to it can define our success as leaders. In this course, you will learn effective negotiation techniques and conflict resolution strategies that are vital for any aspiring leader. You will also develop the skills to manage disagreements constructively, promote empathy, and find common ground through activities and real-life scenarios. By developing your communication and interpersonal skills, you will be prepared to tackle challenges in both personal and professional settings.

Mastering the Art of Influence

Persuasion for Future Leaders

Through engaging activities and real-world examples, you will learn how to craft compelling arguments, hear what others are saying, build credibility with your audience and tap into emotions to influence others effectively. Whether you are preparing for leadership, public speaking or simply looking to hone your communication skills, this course provides the tools and techniques to make your voice heard and your ideas matter.

Week 2 courses

Breakthrough Thinking

Advanced Problem Solving and Decision Making

Embark on a transformative journey with this fascinating course designed to elevate your problem-solving and decision-making skills. Inspired by renowned thinkers like Albert Einstein and Steve Jobs, you'll learn to tackle complex challenges using structured methodologies and innovative approaches. Through interactive activities and collaborative discussions, you'll develop the critical thinking and analytical skills necessary to navigate uncertainty and drive impactful solutions.

Mind over Matter

Emotional Intelligence and Self-Leadership

Inspired by the groundbreaking work of experts like Daniel Goleman and Mark Brackett, this course empowers you to develop Emotional Intelligence (EI) and self-leadership. Learn how to manage your emotions, build empathy and enhance self-regulation using proven techniques. By applying insights from leading EI researchers, you'll gain tools to improve your decision-making, strengthen relationships and build resilience for personal and professional growth.

Navigating the Noise

Media Literacy for the Digital Age

In an era flooded with information, the ability to discern truth from misinformation is crucial. This course will equip you with the tools to critically analyse media messages across platforms. Drawing on examples, you'll learn to question the reliability of sources, identify biases and understand the influence of media on public perception. Through collaborative activities, you will develop the essential skills to make informed decisions and become responsible consumers of information.

“The skills I developed will be so useful in my further studies, my life and career. Do you know what ethos, pathos and logos mean? I didn't, but thanks to the life skills, I now do. These are useful tools for persuasion skills. We linked this to the emotional intelligence course, where we explored empathy and emotions. I don't think people realise how the brain is constantly working and thinking about so many things at the same time!”

Léandre - Austria

Enrichment

Our innovative and exciting summer courses provide an opportunity for you to be challenged academically and learn first-hand from industry professionals and university lecturers. Discuss, debate, and learn about topics you may not have the chance to explore at your school.

University Lecture Series

Engage with distinguished academics from the University of Cambridge and renowned London universities. Hosted weekly, often in architecturally stunning venues, these lectures cover a diverse array of thought-provoking topics such as climate change, artificial intelligence, and issues of gender and race. It is a chance to expand your knowledge and connect these topics to contemporary events and cutting-edge research. This enriching experience will inspire and challenge you, fostering a deeper understanding of critical issues facing our world today.

Industry Field Trips - MPW London

A chance to experience the vibrant spirit of innovation in London, venture beyond the classroom and explore excursions tailored to your academic interests. These unique experiences allow you to investigate potential career paths while deepening your understanding of the professional landscape. Not only will you strengthen your academic knowledge but you will also gain an insider's perspective on what it takes to achieve success in your future career.

University Tours - MPW Cambridge

The University of Cambridge is globally recognised for its outstanding research and academic excellence. By choosing MPW Cambridge, you will have the chance to explore the beautiful campuses of the city and learn about the wide array of courses offered. Explore potential university pathways and gain insights into opportunities available in your chosen fields. It is an essential experience to fulfill your academic aspirations and lay a solid foundation for university and beyond.

Guest Speakers

Each subject has inspiring guest speakers who are career and subject experts. Participate in lively discussions to further enhance your experience and add to your knowledge of life beyond school. Our guest speakers provide real-world insight into the many exciting career options available to you today.

University Preparation Workshop

As part of each stream, you will take part in a 3½ hour workshop covering all aspects of the university application process, including UCAS, Oxbridge and writing personal statements.

“The MPW Summer School helped me choose what I actually want to do at university. I would recommend the MPW Summer School, it helps a lot, especially if you want to apply to UK universities.”

Adiya - Kazakhstan

Social and Leisure

London

MPW's enviable central London location is perfect for exploring the city's world-class museums and beautiful Royal Parks, many within walking distance of the college. There are endless opportunities for fun and enriching activities - from visiting famous attractions such as Big Ben and the London Eye to playing games with new friends in Hyde Park; there is always something new to experience.

Sample activities

- West End theatre show
- Visit London Royal Parks
- Natural History Museum
- Science Museum
- London Eye
- Movie night
- Karaoke party
- Disco
- Quiz Night
- Bowling
- Mini golf
- Covent Garden
- National Portrait Gallery
- Westfield shopping trip
- Historical walking tour

MPW London full day excursions

28 June - 11 July	Cambridge
12 July - 25 July	Oxford
26 July - 8 August	Cambridge

“The trip to Oxford at the weekend was great because we did a lot of walking tours through different colleges and then we had free time to explore which was really, really fun!”

Giulia - Italy

Cambridge

Cambridge is a thriving student city with plenty to see and do. A compact, walkable city, there are activities to satisfy every interest: whether it's punting down the Cam, taking in a film, wandering through historic streets, exploring museums, or enjoying a meal out.

Sample activities

- Bowling
- High ropes
- Punting
- Escape Rooms
- Ice-skating
- Rock climbing
- Theatre in the park
- City tour
- Cinema
- Shopping
- Movie night
- Karaoke
- Board Game Café
- Disco

MPW Cambridge full day excursions

28 June - 11 July	London
12 July - 25 July	London
26 July - 8 August	London

“I had so much fun!! I've never been this happy. Staff are so welcoming, people are great, and in just two weeks it feels like a family. All the classes, activities, I couldn't stop laughing during the day.”

Macarena - Spain

Testimonials

“MPW gave me insight into the law, politics and international relations world and made me want to pursue it further at school, all whilst I made international friends that I still keep in contact with.”

Alex, United Kingdom

“The teaching is really good. The lessons have been interactive, and I have found them very interesting. The life skill classes we have had have helped me to improve my English and practise my language speaking skills.”

Baptiste, France

“This Summer School is the best thing that could have happened to me. I chose Computing, Robotics and AI. This course not only helped me to get to know myself better, but now I know more about computing, and I know what I want to do in the future. That’s what I want to study.”

Rugile, Lithuania

“Genuinely the most useful, enjoyable two weeks I’ve had. Amazing people, amazing activities and incredible courses.”

Sonia-Elena, Romania

“As someone who has been at both MPW Cambridge and MPW London, I would describe my experience as ‘perfect’.”

Feride, Turkey

“It was an amazing two weeks and I would definitely advise others to come here.”

Malika, Uzbekistan

“I had two options for this July, but I chose this one because I loved the courses you have here at MPW. Nice and cosy atmosphere during both studies and activities, staff are excellent and really entertaining.”

Dmitry, Russia

“I chose MPW to study new information, make some new friends, practise my English-speaking level and to get the knowledge that can help with my future education. A great experience. The people with me were great and the staff were amazing.”

Temirshin (Tim), Kazakhstan

“I have made happy and meaningful memories here. It’s safe, lovely, friendly and fun.”

Jhen-Jhen, Taiwan

“It was one of the best summer memories I’ve had. I’ve been to several summer schools, and I have got to say that MPW nailed the “memorable” part. Not to mention the staff, they were amazing, and surprisingly fun too!”

Brandon, Indonesia

“Great experience. The people with me were great and the staff were amazing.”

Abdulrahman, Saudi Arabia
