BOARDING

Welcome Pack

September 2026

Welcome

It is a pleasure to welcome you to MPW Boarding.

The most important aspect of boarding with us is the sense of international community. By working and living together in a multi-cultural house, boarders develop an understanding of other cultures, independence, and community-mindedness. Our dedicated staff are devoted to providing the best possible pastoral care, helping them to prepare for university life and the world of work. Boarders benefit not only from the support of their tutors and Director of Studies, but also from the Houseparents, college counsellors and the Boarding Nurse.

Our boarders' voice is very important to us, and their views will be gathered in a variety of ways to inform our boarding development plans. Our boarding ethos embraces acceptance, celebrates difference, and promotes a good work-life balance.

Let me finish by offering some key pieces of advice to new boarders. Firstly, if in doubt, ask someone. There is no need to keep concerns to yourself. Secondly, take every opportunity offered to you. Try new things, for this is how you will discover your true passions. Finally, enjoy being surrounded by all the wonders of London: soak it up, and never take it for granted!

I hope you enjoy your time boarding with us at MPW, and that you will feel happy, safe and at home with us in Queen's Gate House.

Dr Sally Powell
Principal

This September, you will be joining a family here at MPW Boarding.

To support you with your arrival, we have put together this Welcome Pack to help you in your preparations. You will find information regarding arriving to the Boarding house, as well as guidance on what to bring and what we provide. Take the time to look through these, complete your pre-arrival checks and contact us with any questions you may have on londonhouseparents@mpw.ac.uk.

Your first welcome week in boarding will be filled with opportunities to get to know the houseparents, our daily routine, the boarding handbook, ask questions, make new friends and most importantly settle into the boarding community.

We very much look forward to welcoming you in September!

College Restaurant

In the evenings and at weekends, this becomes a common area for boarders where they can play boardgames, do arts and crafts, have movie nights, study and socialise. It is open until bedtime registration.

Dress Code

British weather is unpredictable so do be prepared for some warm days as well as cold days and a lot of rain! Students should not wear nightwear in the common areas of QGH and should wear appropriate clothing outside their room. Lanyards should be worn at all times.

You may wish to pack smart/formal clothing for our three main events; Boarding Christmas Formal, Boarding Oscars and Boarding Summer Celebration.

Communication

Phones: boarders must have a mobile phone with a UK number, mobile data and WhatsApp for houseparents to reach them outside of school times. Students aged 14-15 years old hand in phones and devices overnight to houseparents.

Microsoft Teams and Orah: should be downloaded with notifications on to receive notices from houseparents, their DoS and teachers.

Email: logins for the school email are sent to students' personal email. This should be set up and checked regularly.

Internet: once you have set up your school login, you will be able to connect to our WiFi upon your arrival.

Post Delivery

Post can be delivered to the boarding house using the following address:
65-67 Queen's Gate House, London, SW7 5JS

Students should ensure their full name is on the post, along with their room number. Each student is responsible for keeping track of their post delivery timings. Post should not contain any prohibited items such as sharp objects, electrical cooking devices or medication.

UK Bank Account and Pocket Money

Students will need to complete a student status letter at the main college reception. This letter can then be taken to the bank to open a UK bank account.

Boarders should not bring large sums of money to keep in their room. We recommend that boarders sign in their pocket money upon arrival, to be securely kept by houseparents in the boarding office. All money handed in and taken out is recorded by houseparents and the boarder.

Passports

All boarders must sign in their passports to houseparents upon arrival. These are securely stored in the boarding office until students sign them out for departures.

Boarding Holidays

The boarding house is closed to students at the end of the first term for Christmas holidays and at the end of the third term for the Summer. Boarders are only required to empty their rooms at the end of the academic year before departing for summer break.

During the following holidays, students can remain in the boarding house:

- October half term
 - February half term
 - Easter break.
